November		<input type="checkbox"/>		<input type="checkbox"/>		<input type="checkbox"/>
December		<input type="checkbox"/>		<input type="checkbox"/>		<input type="checkbox"/>

Instructions: Write in the year at the top of each column. Request the doctor, nurse or health worker to write in the date when each needle is due for each month. There will be two needles some months.

The worm represents the Strep germ, which causes rheumatic fever. Artwork provided by Aboriginal artist/research officer Chidanpee, Norma Bengel, Menzies School of Health Research, Darwin, NT.
